

# We love local

We are proud to support local producers and suppliers every day. Our chef ensures our key products are local and fresh so you can enjoy what the Region has best to offer.

Our MSA graded Black Angus is sourced from the local area.

The prawns from Mooloolaba QLD, renowned for its seafood.

The local area and delivered by Aussie Fresh Seafood in Woolgoolga and the seasonal vegetables from the Nambucca Valley.

The oysters (my favourite) are from the Nambucca River.

Finally, most vegetables are also sourced from farmers located in the Nambucca Valley.
